[Memphis Bleek]

Ge-geah, R.O.C.  
Yeah yeah  
Ge-geah.. yeah, geah  
G-yo, g-yo

Aiyyo I'm back wit it, still tote the gat wit it  
Still got it locked, I sold some crack wit it  
Who could fuck wit it? Not a soul, I'm out of control  
The fo'-fo' blow out of control  
Blow yo' mind outta that hole..  
.. M.E.M. get a broad out of her home, out of her clothes  
Into the Benz, get her into sippin the gin  
Twistin the lye, get her into pushin the 5  
Then we fly out of the state.. let shots out of the 8  
They go in and out of your face  
You want spend? I take 10 out of the safe  
You want drink? Take a bottle, out of the case  
Then we.. get into somethin, get into touchin  
Get into fuckin - mami, no frontin  
Shit, I got cake (geah) I got weight (geah)  
Shit you wanna chill, mama, pick a state (let's go)

[Chorus: repeat 2X]

Let's get high - first class seat on me  
We get low - hotel fee on me  
Let's get high - lay back, roll up weed  
We get low - Bel've on the rocks, apple martini

[Memphis Bleek]

I'm in the S-5, all black, no tint  
with a nice dime - all ass, no tits  
Still, rippin the glock (Bleek) playin the block  
Fuckin with mine - M.E.M., gettin it hot  
Gettin it popped, gettin it jumped, gettin it crunk  
And you don't wanna get slump duke, get in the trunk  
Got a pound of that green, to get in New York  
Get it through customs; Bleek ain't tryin to get caught  
but get this - the fifth will get you support  
Not that help - that life situation get short  
Gettin with ma, Bleek still gettin her high

End up, gettin her somethin she ain't get in her life  
She fuckin with them real niggaz who get low, who get  
dough  
who got cake - baby, but get mo'  
And I get hoes, but yo' bitch, I got  
The same jewels, I got rid of you not (let's go)

[Chorus]

Let's get high.. we get low.. (repeat 4X)
