Every muscle
You so looking good to me
I want to lick up and down
For real what did I do
For real what did I do you better what did ido

Tell me what did I do
So you won't talk to me anymore
Disconnect phone
I mean to rush baby
You all I have
I want you back
I 'm nothing without you
I can't think who closer to me then you baby
Tell me what did I do

Save all my love for you
I just want you comrback
Comeback and love me

I only think of you
You do me some good
