Can't get enough of you  
When we oooo

Hello my love  
Wish you were here  
So many things in my heart  
That I'd like to share  
A few warm thoughts  
A subtle smile  
Our conversation through silence  
Could last all night

At ease my mind  
To see your face  
Those sexy eyes could calm  
My heart of range  
You speak my name  
I touch your, hu  
The chemistry only true love  
Could understand

You've opened my soul to happiness  
And shown me new ways of love  
Smooth is life's travels with you beside me  
I'll never walk alone

(Yeah)  
Can't get enough of you  
When we oooo  
Can't get enough of you  
When we oooo  
Can't get enough of you

You can give you  
All you can give  
You've taught me love laugh  
You taught me to live  
At rainbow's end  
That pot of gold  
Can't hold a light to you  
'Cause you're my heart and soul

Such passionate love that have we make  
Into our bodies are one  
When loving's done, the passion's still strong  
'Cause spiritually we are as one

Can't get enough of you  
(Tururup, tururup)  
(Tururup, tururup)  
When we oooo  
Can't get enough of you  
(Tururup, tururup)  
(Tururup, tururup)  
When we oooo

Can't get enough of you  
(Tururup, tururup)  
(Tururup, tururup)  
When I oooo  
Can't get enough of you  
(Tururup, tururup)  
(Tururup, tururup)  
When we oooo  
Can't get enough of you

(Tururup, tururup)  
(Tururup, tururup)  
(Tururup, tururup)  
(Tururup, tururup, tururup)

Such passionate love that love we make  
An' two of our bodies are one  
When loving's done the passion's still strong  
'Cause spiritually we are as one
