My love for you has got me going crazy  
I thought we could possibly maybe  
Get together and start something  
No other person in this world  
Could make me feel like a little shy girl  
There's nothing I won't do for you

(B-section)

I'll comfort you be kind to you  
And I'll be strength to you  
I'll sing to you  
Won't cling to you  
And everything you do  
I'll pamper you  
Won't hamper you  
From all the things you wanna do  
I'll care for you  
Make love to you  
And I'll be good to you  
I'll brighten you  
Enlighten you  
With every silly mood  
I'll fight for you  
What's right for you  
But all you really gotta know is

(Chorus)

Who yeah who I do  
I be lovin' who  
Yeah who asked who cares about you  
I care about you

When I'm around you become such a mess  
Your tongue is tied your weak confess  
And it makes my spirit fly every time  
Your love for me I don't wanna change  
Even though you can do and say some crazy things  
There's nothing in this world I wouldn't do for you

(B-section)

(Chorus)
