I love this  
Oh my god  
Oops  
Uh

Uh  
Who  
Oops

Chorus:  
Who  
Yeah who, I do  
I be lovin' who  
Yeah who  
Ask who cares about you  
I care about you

My love for you has got me goin' crazy  
I thought we could possibly maybe  
Get together and start something  
No other person in this world  
Could make me feel like a little shy girl  
There's nothing I won't do for you

Bridge:  
I'll comfort you, be kind to you  
And I'll be strength to you  
I'll sing to you, won't cling to you  
In everything you do  
I'll pamper you, won't hamper you

From all the things you wanna do  
I'll care for you, make love to you  
And I'll be good to you  
I'll brighten you, enlighten you  
With every silly mood  
I'll fight for you, what's right for you  
But all you really gotta know is

Chorus

When I'm around you become such a mess

Your tongue is tied, your weak confess  
And it makes my spirit fly every time  
Your love for me, I don't wanna change  
Even though you can do and say some crazy things  
There's nothing in this I wouldn't do for you

Bridge

Chorus (2x)

Bridge

Chorus (3x (Bridge In Background Second Time))
