"Two Silver Trees"

Visit "[Two Silver Trees](#)" on MotoLyrics.com

There are code breakers with lines well tapped
Traces sweeping out across the static night
You are draped in white like the blossoms of the tree
Looking down a glass elevator at your father signing
the papers for

Two silver trees, two silver trees
Two worlds in need, two silver trees

Branches falling down
Sources underground
False identities
Stranded in each single seed

False sense of warning, no poisoned cup
Just deception crawling up like a snake
Decay of the blossoms and roots well hacked
Spoil the hidden waters dying at the base of

Two silver trees, two silver trees
Two worlds in need, two silver trees

Branches falling down
Sources underground
False identities
Stranded in each single seed

Branches falling down
Sources underground
False identities
Stranded in each single seed
