Breathe!

You get me so, get me so excited
I'm hot, come on, so get it ready
And I'll open my spot for you
Anytime you want me to so you can

Act bad, don't hurt me
Look sexy, talk dirty
And I'll open my spot for you
Anytime you want me to so you can
(Get me so excited)

For some reason it might be the money that really turns
them on
But for me it's an attitude that keeps me tied on the
phone
And no words are suitable to describe your swagger
babe
And my body is in overdrive when I have you inside of
me

If you like it, then I'll do it
I go head to toe
And whenever you pursue it
You'll never hear the word no

So forget about them other girls baby
~Cause now you're rollin' with a woman baby
And I'ma keep your body thumpin' baby
It's the least I can do ~cause you get me so
excited

I'm hot, come on, so get it ready
And I'll open my spot for you
Anytime you want me to so you can

Act bad, don't hurt me
Look sexy, talk dirty
And I'll open my spot for you
Anytime you want me to so you can
(Get me so excited)

So I'm losin' my mind control and I wanna get two step
ups
As for me I'ma let you know when my body's smoking
hot
Throw me up against whatever's close and get to
bossin' me around
And every time I give you the assist you know how to
slam it down

If you like it, then I'll do it
I go head to toe
And whenever you pursue it
You'll never hear the word no

So forget about them other girls baby
~Cause now you're dealin' with a woman baby
And I'ma keep your body thumpin' baby
It's the least I can do ~cause you get me so
excited

I'm hot, come on, so get it ready
And I'll open my spot for you
Anytime you want me to
So you can

Act bad, don't hurt me
Look sexy, talk dirty
And I'll open my spot for you
Anytime you want me to so you can
(Get me so excited)

Is ya hungry?
I gotcha lickin' on my body like it's something to eat
So you can act bad
Don't hurt me, look sexy
Get me so excited

I'm hot, come on, so get it ready
And I'll open my spot for you
Anytime you want me to so you can

Act bad, don't hurt me
Look sexy, talk dirty
And I'll open my spot for you
Anytime you want me to so you can
(Get me so excited)
