Just when I thought I was better off. To leave the lonely
path I walked. Don't wait for me, I'll never be. What you
expect. Well can't you see? I can't ignore this anymore.

So come on! Come on! Come on! I've tried so hard to
show you what I'm
So come on! Come on! Come on! Paying to be just like
you.
Out of control:Nowhere to go. I know I'm not alone. Just
wanna be somebody tonight.

And all those eyes that stare at me. Rejecting my
identity.

So come on! Come on! Come on! I've tried so hard to
show you what I'm
So come on! Come on! Come on! Paying to be just like
you.
Out of control:Nowhere to go. I know I'm not alone. Just
wanna be somebody tonight.

I'm not afraid of anything. Except this world I'm living
in. I don't fit in.

So come on! Come on! Come on! I've tried so hard to
show you what I'm
So come on! Come on! Come on! Paying to be just like
you.
Out of control:Nowhere to go. I know I'm not alone. Just
wanna be somebody tonight
