I'm not the one who decided to ignore.  
I'm not the one who was never hurt before.

Gotten away but i don't care.  
It's what you're used to  
Forgot the words, but can't convey.  
They're all around you.  
I know what I want if, I'm not mistaking.  
Just take me through your motions of heartbreaking  
and don't forget!

I'm not the one who forgot to say goodbye.  
I'm not the one who still runs a perfect life.

Even as we're growing up. (na-na-na-naaa-na)  
Even as things get fucked up. (na-na-na-naaa-na)

I know what I want, if I'm not mistaking.  
Just take me through your motions of heartbreaking  
and don't forget!

That in the end,  
I know you're gonna like it  
I know you're gonna like it  
I know you're gonna like it

I know you're gonna like it, in the end.

That's why I'm calling again,  
that's why I'm telling your friends!  
That's why this party can't end. (To change your mind  
again)  
No matter how you ignore, how much you hurt me.  
I know you're gonna like it.  
I know you're gonna like it.  
I know you're gonna like it.

Even as we run our lives. (na-na-na-naaa-na)  
Even as we fall in line. (na-na-na-naaa-na)

I know what I want if, I'm not mistaking.  
Just take me through your motions of heartbreaking

and don't forget!
