Friday night and I'm bored again  
my wallet holds another ten  
get my stuff and pack to go  
all geared up for another show  
me and my buds gas up our van  
check the map here we go again  
Punkrock's on its way!

Ripton to Tokyo  
you'll find our bratpop-shows  
if we draw a real big crowd  
kids will be singing really loud:  
"United we stand stronger"  
We can't hold this any longer  
Punkrock's here to stay!

We're the punkrock kids  
we do what punks do  
go to punk shows  
hang out with the punk crew  
spillin' beers brag bout getting a tattoo  
hope we can count on you!

everything's going really fine  
this place seems to blow my mind  
glad to see you get along  
freakin' out song after song  
hope no posers show or

"the bones brigade is gonna come to get ya!"  
Punkrock's here to stay!

We're the punkrock kids  
we do what punks do  
go to punkrock shows  
hang out with the punk crew  
spillin' beers brag bout gettin' a tattoo  
hope we can count on you!

Till one day  
boy meets girl  
girl gets laid

another punk has hit this world  
that's what makes the circle full  
cause screwin' chicks  
is mainly what teen punks should do!

Everybody!  
We are a punkrock band  
This was a punkrock show!
