Push you around cause you're not the same  
And kick in when you glorify  
Shout it loud when they force you to swallow  
You question their authority  
So hollow rather die then follow  
Express your individuality

You're out of your head  
Swearing you won't bend you're,  
Out of control they say  
Sonic youth at extreme high volume  
Now will you ever grow up?  
I've found my sense of direction  
Hope this answers all your f\*\*\*in'...

Today I'm stronger than I was yesterday  
And confident enough too  
Tomorrow I'll be even stronger  
Cause I'll be, who I want to

Now I won't except your control on my life (express your individuality)  
Don't judge my plans cause time's on my side  
You're always bragging that this is your game,  
And you're setting the rules  
A job well done  
Now there's no one to blame but your sorry ass self

Today I'm stronger than I was yesterday  
And confident enough too  
Tomorrow I'll be even stronger  
Cause I'll be, who I want to

Today I'm stronger than I was yesterday  
And confident enough too  
Tomorrow I'll be even stronger  
Cause I'll be, who I want to

Now I won't except your control on my life  
Don't want it  
I don't want it  
I don't want it
