Don't believe in what I was prepared.  
To offer you.  
You made me hate myself in who I was.

Kicked in a major mistake!  
Guess it's never to late,  
to make my attends!

Do you really think you matter all that much?  
I've embraced my life to all my enemies line up!

Kicked in a major mistake!  
Guess it's never to late,  
to come to my senses again!

Kicked in a major mistake!  
Guess it's never to late,  
to make my attends!

My intentions we're always real,  
and I will defend them,  
with everyt breath in me!  
I'll never give in!

Now watch me change, watch me rise!  
Guess you didn't have me all figured out!

You couldn't crush my consience,  
You couldn't interfear.  
You couldn't buy my passion.  
OR BREAK MY DIGNITY!

Kicked in a major mistake.  
Guess it's never to late,  
to come to my senses again!

Kicked in a major mistake.  
Guess it's never to late,  
to make my attends!

Kicked in a major mistake.  
Guess it's never to late,

to come to my senses again!

Kicked in a major mistake.

Guess it's never too late  
f---, --,!
