I wake up late! My girl's overdue!  
What on earth am I gonna do!  
I tell my mom, she says get a job!  
I'd rather die or go out and rob  
I'm late for school so I get a note!  
Don't give a shit cause I'm so not going  
For a degree, a career, a house. Just wanna  
live before I start aging  
On and on and on and on and on!

I don't ever wanna be like you  
I don't ever wanna do the things you do  
I'd rather be me than be you!

So hung over! God, I need a beer!  
Anything to get me out of here  
I'm sick of this town and I'm sick of you!  
Proud of my RKL tattoo  
And on and on and on and on

I wanna live the life I Fucking want to!  
Nothing you say can change how I feel

I don't ever wanna be like you  
I don't ever wanna do the things you do  
I'd rather be me than be you!  
All you ever do is bite and nag!  
Bet your white collar life must be a drag!  
Hail to punkrock and black flag!

I wanna live the life I fucking want to!  
Nothing you say can change how I feel  
I wanna live the life I fucking want to!  
Nothing you say can change how I feel
