Here we go!

You hate it
Frustrated
Now we've come to the point that you're jaded
Since you've tried to step in line
all you've done is stumble and fall

My biggest fear,
to lose the strenght,
to rise again while the marks still burn
I know they'll heal cause I believe..in you!

Don't think you're powerless,
don't have to dress or act just like them cause
First you're a part of them ,
then they'll become a part of yourself
So don't give in,
and raise your fist!

You're dismissed
You're unkissed
You've lost your fight to persist so
You tagged along, pretend you care
Be sure to complement the badger they wear

My biggest fear,
you've lost the strenght,
to rise again the marks burn as hell
I hope they'll heal cause I still believe..in you!

Don't think you're powerless,
don't have to dress or act just like them cause
First you're a part of them ,
then they'll become a part of yourself
So don't give in, and raise your fist!

You tried to be everything too
Everyone you know
You've reached the point of no return
The marks they burn!

Don't think you're powerless,
don't have to dress or act just like them cause
First you're a part of them ,
then they'll become a part of yourself

Don't think you're powerless,
don't have to dress or act just like them cause
First you're a part of them ,
then they'll become a part of yourself
So don't have to be like them,
you're so stupid just be sure
to raise your..
