Talking away
Why don't know one what to say
Say it anyway
Today is another day
To find you shine away
I'll becoming for a love all day

Take on me (take on me)
Take me on (take on me)
I'll be gone
Take on

Meaningless to say (get up get up get up)
I want it and
But that's me
Stumbling away
Slowly learning that live is okay
Say after me:
It's so better to be second in this army

Take on me (take on me)

Take me on (take on me)
I'll be gone
Take on

When will I will I be famous?

Things that you say
Is it laugh or
just to play my worries away
Your all the things I got to remember
Shine away
I'm become for you anyway

Take on me (take on me)
Take me on (take on me)
I'll be gone
Take on

(Take on me)
(Take on me)

(Take on me)
(Take on me)
(Take on me)
