Feat. Swizz Beatz

Swizz

Hey hey oh hey

Maino

Hey Swizz

I think I woke up on the right side of the bed

That's how I feel

Swizz (hook)

I think I might give away a million bucks

I think might give away a brand new truck

Cause I feel good

Yea I feel good

Cause I feel good

I think I might take a lot of shopping sprees

U in the club goddam all drinks on me

Cause I feel good

Yea I feel good

Cause I feel good

Hey

Maino

Good Lord look what a beautiful day

My enimes gone ain't here they gone away

I feel good

Everything is ok

I feel like givin all my money away

Cause niggas is broke ain't no bread in the hood

Look what they did they sellin Feds in the hood

I ain't going to change I'm coming back through the hood

Do what I do and then back to the hood

I'm blessed I went places I never been

I lived to see a black president

I'm good, yes I feel good

Drinks on me baby what's good!

Swizz (the hook)

For the ones who got more than 1 mouth to feed
Gas so high got em' riding on E
Daddy needs shoes and kids gotta eat
They can have every last Penney on me
Me and swizzy rollin in the lambo
Sit back reminiscing this and when I never had no
Dollas, pride is well poor dear mama
Stuck to the fight like a drained out boxer
So I know what it feels like to not have much
I should give away what I made last month
I gotta a lot to feel good about
I think I'm gonna give away a good amount

Swizz (the hook)

One shot for my niggas in the state pen
Two shots for my niggas still hustling (raa)
I feel good
I'm so good
Man I rose from the bottom and it feels good

Swizz
Man I'm a introduce to you a new dance (new dance)
It's called the money dance (echo)
You pull the money out your pocket like this (like this)
You put your hands in the air like this (like this)
And you simply just umm.
Bounce throw it all around
(Throw) throw it all around x3
A little more now
Throw it all around
A little more now
Throw it all around

(The hook)
