I remix the remix boy, unstoppable, yeah, respect me
Come on, bandana, black feet, go chain â€¦
Coca-cola, â€¦warming with my enemies
Pants hanging, steel banging, fuck the â€¦ my attitude
Middle finger shirt off, tattoos and bullet wounds
Ghetto yes I'm ghetto like, fighting at a funeral
Wailing out pissing on them, spraying up the urinal
Love my bitches ghetto with her body just like trina do
Ass fat is going down like flaps in a inner tube
Loud talking liquor drinking, whip his ass, fuck he
thinking
On parole, work with lease, only home on a week
And ghetto yes, I'm ghetto like
Chicken wings and fried rice
Sleep throughout the whole day, then I party all night
Money wrapped in rubber bands, different chicks with
louie bags
â€¦ bitches sew me say they love me with my ghetto
ass
Livin' like it's no tomorrow, â€¦ with my baby mama
Bentley in the â€¦ I'm a nigger trying to get a dollar
â€¦in brooklyn love, trina is the type I love
Hustle hard and then I pull it all aside the street club

Ghetto country, uh, rap shit,
Put your hands up if you fucking with that shit
Ghetto, hello, I could â€¦ 12 inch â€¦ big round booties
Ghetto, way too, hello, say I'm ghetto
Drive with the metal, tell them that it is what it is
We make it do what it do, and I love where I live
And my people love it too

â€¦ in the project, lights in your mama name
You hustle like you're â€¦ and that's the third time your
number change
â€¦ air brush, outside speakers on, valentino pussy
hugger
High heels sneakers on, my beat done nails too
All on the front porch,
â€¦cooking is some â€¦ ass, hanging out your boy
shorts

â€¦ and diamonds on my â€¦
â€¦ fucking ghetto

Dough game â€¦ when you're in the ghetto
If you make your money easy, and your swag is off the
â€¦
And your favorite rapper â€¦, you are motherfucking
ghetto
Hundred dollar g zone, price tag bragging,
But the work is your ass so you â€¦ swaggin'
Cd of the newest choice and that â€¦ surer choice
Candy paint â€¦ loose the hoes and lick the stalls,
ghetto, so freaking ghetto

Ghetto country, uh, rap shit,
Put your hands up if you fucking with that shit
Ghetto, hello, I could â€¦ 12 inch â€¦ big round booties
Ghetto, way too, hello, say I'm ghetto
Drive with the metal, tell them that it is what it is
We make it do what it do, and I love where I live
And my people love it too
Cause we ghetto

Top boys, hard boys â€¦ that bitch is laying in your bed
And robbers laying in your trap â€¦ tv's in the head rest
And hundred dollars best to see what's tricking give
the head best
Section 8 wick â€¦ getting served
â€¦and dance on the fuckin' third
Bootleg dvd â€¦ income tax chance, you claiming other
people kids
â€¦ you serving at the room window, now you call it â€¦
â€¦ looking for a trap star, now every nigger in the
ghetto
He thinkin' he a rap star,
Fully automatic â€¦ when you're in the ghetto
Peels â€¦ people you don't wanna know â€¦ so
motherfucking ghetto

Ghetto country, uh, rap shit,
Put your hands up if you fucking with that shit
Ghetto, hello, I could â€¦ 12 inch â€¦ big round booties
Ghetto, way too, hello, say I'm ghetto
Drive with the metal, tell them that it is what it is
We make it do what it do, and I love where I live
And my people love it too
Cause we ghetto.
