[Chorus:]

You've never seen a superstar before  
Never rolled in this kind of car before  
It's ok it's ok  
(Repeats)

You ever... that fortune  
You ever been with bosses  
You ever rolled around in cars that... a hundred horses  
Come step inside my kitchen  
Welcome to my kind of living  
Come on and see all these things  
You only see on television  
Come and taste this type of life  
See where the... we can take a flight tonight  
Lights camera action  
When they see me...  
And the city go like global access  
Come spend one night  
One night might change your life  
One night might just get you that car that you like  
That... that Bentley nice  
I'll treat you right  
It's just that type of life

[Chorus]

Shorty no need to stress  
It's ok if you've never left New York  
You can be my special girl  
I'll take you with me on top  
Let me show you things...  
I'm your... you're my... queen  
I'll put you on now let me... you  
Here's your ticket you've been... loose  
Now you got them...  
Yea yeah you're hearing it  
I talk that shit  
I live that shit  
How's that chick  
Be that chick

You ain't got to... be my chick  
If it's alright let me know  
If not we'll be...  
I live that  
And let me just say it

I'm the kind of fellow  
That you like  
If not I got some palace  
That you might  
You and your girls  
Need to roll with us tonight  
It's ok it's ok

[Chorus]
