Hey~ I wanna see you work it baby  
Why don't you be my lady, Lady  
Move with your excited mind, up! Go crazy calming  
down, hey

Every Friday night I have a party Yo  
The thin ladies over there, Move your body  
Quickly save the one who can't follow the mood  
I want to play, You know what I'm saying?  
Lady Lady

Many things pile up inside me  
Still, there's only one thing I want today  
A hot night with you, you know very well  
It's okay if you try and avoid me since you're already  
mine

In the club, it keeps getting hotter  
Your body and mine keep getting closer  
Tonight, I'm going to dance with you until the end

\*Girl~ Play with me tonight  
Be free from restrictions and let go  
(Co'mon Baby work it for me)  
Ah girl (yeah) Play the whole night away  
Forget about this boring life  
(Gonna flip reverse it baby)

Even if you're in a group of other girls  
You still attract me, wow!  
After guys see you, they come closer, wanting to be  
your partner  
Unfortunately for them, I've just arrived  
Tonight, I'm the superstar~

Behind your back, booby booty, matching the rhythm  
Shake ya booty~  
Should we leave right now?  
Let's spend the whole night together  
Boogie Woogie~

In the club, it keeps getting hotter  
Your body and mine keep getting closer  
Tonight, I'm going to dance with you until the end

\*Repeat

We'll forget it all and just play  
Tight restrictions, no no no, escape it  
Stay up all night, yes yes y'all

Throw away the bad memories  
Let's move our bodies the whole night  
Tight restrictions, no no no, escape it  
Stay up all night, yes yes y'all

Hey~ I wanna see you work it baby  
Why don't you be my lady, Lady  
Move with your excited mind, up! Go crazy calming  
down, hey
