Visit "[I Believe](#)" on MotoLyrics.com

I believe in my dreams
For that as long as I will breathe
But I will never sacrifice
Myself for you again

I won't be chained to you
My heart needs something new

I will give you

I believed in what I saw
In what I had done
I'll keep my eyes wide open to satisfy
Myself more than once again

I won't be chained to you
My heart needs something new

I will give you nothing more, nothing more

Can't you see how I feel?
Can't you see?

I won't be chained to you
My heart needs something new
I won't be chained to you
My heart needs something new
