This is a memorial
To honour the long gone
This is a burial
My heaven has gone wrong

Those times we had so long ago
Like yesterday I miss them so much
I can't let go

My heart
Is full of hate
It's bleeding love

Father
I have to say goodbye
To keep myself alive

I can still see you
You're fading away, but
I can still feel you
Though you're drifting away from me (away from
me)
You're drifting away

This is a memorial
To honour the long gone
This is a burial
My heaven has gone wrong

Are you still here still in this place?
What's left behind, where is god's grace?
You broke my faith

My heart
Is full of hate
It's bleeding love
Father
I have to say goodbye
To keep myself alive

I can still see you
You're fading away, but

I can still feel you
Though you're drifting away from me (away from
me)
You're drifting away

My heart is aching
That's all I know
Hope is fading
I let you go
(x 2)

This is a memorial
This is a burial
(x 2)

I can still see you
You're fading away, but
I can (I can) still feel (still feel) you
Though you're drifting away from me (away from
me)
You're drifting away
