"One Of These Days"

Wake up and see the truth, it's over for sure
Like the sinking of the moon
All hope seems to be gone, all lust is fading away
For the dust of forgetting

Every breath aches as it was the last
Every moment distorted through tears

The walls have fallen down
The walls have fallen down
Pure cold reality surrounds me
Is hugging me

This big, black hole inside me
Screams for fulfillment and nearness
So tell me who I am, tell me lies
So tell me who I am, give me hope
So tell me who I am, lead me to my heart

All hope seems to be gone
All lust is fading away
For the dust of forgetting

Every breath aches as it was the last
Every moment distorted through tears

The walls have fallen down
The walls have fallen down
Pure cold reality surrounds me
Is hugging me

The awareness of the emptiness
Pushes me down to earth
