

## Caliban "Room Of Nowhere"

Visit "[Room Of Nowhere](#)" on [MotoLyrics.com](#)

Coldness surrounds me, I'm filled with fear, in this  
room of nowhere.

Tell me where's my soul, I move in the dark, tell me  
where's my soul, we'll feed from hatred.

Scream surrounds me, kill or die.

(Your soul is our desire)

In this room of nowhere

Tell me where's my soul, I move in the dark, tell me  
where's my soul, we'll feed from hatred.

Masters of fire, teach me your art in this room of  
nowhere.

Tell me where's my soul, I move in the dark, tell me  
where's my soul, we'll feed from hatred
