Where is your  
Where is your  
Where is your love?

The smaller the keys  
Bigger the locks  
Closure of dorms for the hatred  
Pick a key and watch  
Sesame open  
Just meaningless words  
A daring mixture of shelter and temptation  
The one who dares will gain the blame  
Lines web into my heart  
To tear it slightly apart  
Where's your love?  
Where's your love?  
Where's your love?  
Where's your

The smaller the keys  
Bigger the locks  
Closure of dorms  
For the hatred  
Pick a key and watch  
Sesame open  
Just meaningless words  
Just meaningless words

Tell me, where's your love?  
Tell me, where's your heart?  
Don't look back to the start  
Where's your love?

A daring mixture of shelter and temptation  
The one who dares will gain the blame  
Lines web into my heart  
To tear it slightly apart  
Where is your love?  
Where is your heart?

Where is your love?  
Where is your heart?

Tell me, where's your love?  
Tell me, where's your heart?  
Don't look back to that start  
Where's your love?

Tell me, where's your love?  
Tell me, where's your heart?  
Don't look back to that start  
Where's your love?

A daring mixture of shelter and temptation  
The one who dares will gain the blame  
Lines web into my heart  
To tear it slightly apart  
Where is your love?  
Where is your heart?

Where...Is...Your...Love?
