Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight

Have yourself a merry little Christmas
Make your Yuletide gay
From now on our troubles will be miles away

Here we are as in olden days
Happy golden days of yore
Faithful friends that are dear to us
Will be near to us once more

Through the years
We'll always be together if the fates allow
Until then we'll have to muddle through somehow

Here we are as in olden days
Happy golden days of yore
Faithful friends that are dear to us
Will be near to us once more

Through the years
We'll always be together if the fates allow
Hang a shining star upon the highest bough

And have yourself a merry little Christmas
Have yourself a merry little Christmas now
