I'm outta luck, outta love
Got a photograph, picture of
Passion killer, you're too much
You're the only one I wanna touch

I see your face every time I dream
On every page, every magazine
So wild and free, so far from me
You're all I want, my fantasy

Oh, look what you've done to this rock 'n' roll clown
Oh, look what you've done, I gotta have you

Photograph, I don't want your
Photograph, I don't need your
Photograph, all I've got is a photograph
But it's not enough

I'd be your lover, be your pet
Put your hurt on me, if you dare
Such a woman, you got style
You make every man feel like a child

You got some kinda hold on me
You're all wrapped up in a mystery
So wild and free, so far from me
You're all I want, my fantasy

Oh, look what you've done to this rock 'n' roll clown
Oh, look what you've done, I gotta have you

Photograph, I don't want your
Photograph, I don't need your
Photograph, all I've got is a photograph
You've gone straight to my head

Oh, look what you've done to this rock 'n' roll clown
Oh, look what you've done, I gotta have you

Photograph, I don't want your
Photograph, I don't need your
Photograph, all I've got is a photograph

I wanna touch you

Photograph, I'm want your love
Photograph, I'm not in love
Photograph, just inside my
Photograph, surprise this time

Photograph
Photograph, your photograph
Photograph, your photograph
Photograph, your photograph
