Bring me to the sea of sugar and spice
Reminiscing through some chocolate ice
Tick tock take time to be gentle and kind
You sweat coz u run and run all day in my mind

Fly to the moon and the sun
And lets go have some fun
(Come and take my hand and free your soul again)
Fly to the moon and the sun
And lets go have some fun
Its 1, 2, 3 my love is plain to see
What I do 4 u baby do 4 me

Let me serenade your soul
When your feeling down and low
Let the music come alive
Let tenderness arrive
Let me serenade your soul
When your feeling down and low
Boy u make me feel so high
Together we can fly
