When I hear the bird start singing
I wanna see you
Hoo, hoo, do do do do do...

When I see the leaves start fallin'
I wanna see you
The only thing I'll do
Don't you know
Is to rush and run to you

When I hear the clock start tiching
I start to miss you
Ooh... The only thing I'll do
Is gonna dream of you

Wanna stay by by by your side
You are my everything
You are my only link
To the angel's wings
Talk about love love and
I can't stop thinking of you
Such a crazy thing
Like snow fallin' in spring
(You know every morning)

When I hear the bird start singing
I wanna see you
Ooh... the only thing I'll do
Is to rush and run to you

When I hear the clock start tiching
I start to miss you
Ooh... The only thing I'll do
Is start to dream of you

I found my angel in my life
I cannot see why
I cannot see why
We can't be in love till we die

Wanna stay by by by your side

You are my everything
You are my only link
To the angel's wings
Talk about love love and
I can't stop thinking of you
Such a crazy thing
Like snow fallin' in spring

One day we'll spread our wings
You and me da, you and me da...
Spread our wings do... do... do...
Wanna be wanna be wanna
I wanna be
Be your lover
I'll run to you... ooh...
