The rain, just never seems to bring
The joy, I feel the same
Everlasting pain of my loss remains
My heart, can't seem to learn to part
The hold you left the mark
All that I dreamed of now it seems so stark
Tho I told myself won't hold my breath
A part of me was dying
There is nothing left for me to do now, but give in
If you gave me, one more chance to tell you how I was
feeling
I would sing to you and tell you I won't live my life
without you
If you gave me, one more chance to tell you how I was
feeling
I would hold your hand and look in your eyes and ya
know,
I'd never let you go

The way, you left me on the train
I don't know what to say
I remember everything on that day
I can't believe we'd never dance
I just need one more chance
To share the sunset our one last romance
Tho I told myself won't hold my breath
A part of me was dying
There is nothing left for me to do now, but give in

If you gave me, one more chance to tell you how I was
feeling
I would sing to you and tell you I won't live my life
without you
If you gave me, one more chance to tell you how I was
feeling
I would hold your hand and look in your eyes and ya
know,
I'd never let you go
