Bon Voyage my darling
Bon Voyage my dear
I'll pray each day
You're on your way
Until you're safely here

Bon Voyage my loved one
Bon Voyage adieu
Until you're in my arms again
May God take care of you

(Men's chorus)
Bon Voyage my darling
Bon Voyage my dear

(Singer)
I'll pray each day
You're on your way
Until you're safely here

Bon Voyage my loved one
Bon Voyage adieu
Until you're in my arms again
May God take care of you
