The rain just never seems to bring
The joy I feel the same
Everlasting pain of my loss remains

My heart can't seem to learn to part
The hold you left you mark
All that I dreamed of now it seems so stark

Though I told myself won't hold my breath
A part of me was dying
There is nothing left for me to do now
But give in

If you gave me one chance to tell you how I was feeling
I would sing to you and tell you I won't
Live my life without you

If you gave me one chance to tell you how I was feeling
I would hold your hand and look in your eyes
And you know I'd never let you go

The way you left me on the train
I don't know what to say
I remember everything of that day

I can't believe we'd never dance
I just need one more chance
To share the sunset our one last romance

Though I told myself won't hold my breath
A part of me was dying
There is nothing left for me to do now
But give in

If you gave me one chance to tell you how I was feeling
I would sing to you and tell you I won't
Live my life without you

If you gave me one chance to tell you how I was feeling
I would hold your hand and look in your eyes
And you know I'd never let you go

If you gave me one chance to tell you how I was feeling
I would sing to you and tell you I won't
Live my life without you

If you gave me one chance to tell you how I was feeling
I would hold your hand and look in your eyes
And you know I'd never let you go
