Met you by surprise  
I didn't realize that my life would change forever  
Saw you standing there  
I didn't know I cared  
There was something special in the air

Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be

Dreams are my reality  
A different kind of reality  
I dream of loving in the night  
And loving seems alright  
Although it's only fantasy

If you do exist  
Honey don't resist  
Show me a new way of loving  
Tell me that it's true  
Show me what to do  
I feel something special about you

Dreams are my reality  
A wondrous world where I like to be  
Illusions are a common thing  
I try to live in dreams  
Although it's only fantasy

Dreams are my reality  
I like to dream of you close to me  
I dream of loving in the night  
And loving you seems right  
Perhaps that's my reality
