the rain just never seems to bring
the joy i fell the same
everlasting pain of my loss remains
my heart cant seem to learn to part
the mark all that i dream of now it seems so stark

thou i told myself
wont hold my breath
a part of me was dying
there is nothing left for me to do now
but give in

chorus:
if you give me one chance to tell you
how i was feeling
i would sing to you and tell you
i wont live my life without you
if you give me one chance to tell you
how i was feeling
i would hold your hand and look in your eyes
and you know i never let you go

the way you left me on the train
i dont know what to say
i remember everything of that day
i cant believe wed never dance
i just need one more chance
to share the sunset our one last romance

verse 3

chorus

i would hold your hand and look in your eyes
and you know i never let you go

chorus

i would hold your hand and look in your eyes
and you know i never let you go
