Words are cheap and "I love you" are free
So unless you mean it, Don't spend them on me
Don't look twice if you're keeping score
Cause heartaches are high priced and I've paid it
before. .

I've taken some wrong roads and I've lost track
Of lovers who gave them hearts then wanted them
back
So I need someone who needs someone too
But spare me the memories, if you're just passing
through

CHORUS:

Do Me With Love.
Don't do me wrong.
You know my heart's been broken to long
And I've had one to many tears to fall
So Do Me With Love, do me with love,
Or don't do me at all.

Do Me With Love.
Don't do me wrong.
You know my heart's been broken to long
And I've had one to many tears to fall
So Do Me With Love, do me with love,
Or don't do me at all.

So Do Me With Love,
Do me with love,
Or don't do me at all.
