Your bags are packed and waitin'
By the door
If you really want to go
Well, it's alright

Don't worry 'bout me darlin'
'Cause I'll get by
But I'll need someone to hold me
When I cry

I'll need someone to tell me
That I'll get over you
And I'll need a friend to lean on
When I'm feelin' blue

So sit down here beside me
After you say good bye
'Cause I'll need someone to hold me
When I cry

The taxi cab is waitin'
For you to go
But darlin', tell him that you've
Changed your mind

And stay until tomorrow
'Cause I know tonight
That I'll need someone to hold me
When I cry

I'll need someone to tell me
That I'll get over you
And I'll need a friend to lean on
When I'm feelin' blue

So sit down here beside me
After you say good bye
'Cause I'll need someone to hold me
When I cry

Yes, I'll need someone to hold me
When I cry
