I can't help myself girl cause I'm in love with ya  
And all you do is drive me crazy I'm in love with ya  
And even though they come around I'm in love with you  
No I don't give a fuck about 'em I'm in love with ya

[Verse 1]

(hey hey, I'm in love with ya)

You should know that I need you  
You must know that I want you  
To you I always will stay true  
No one else that can replace you

I'm running around but I don't want to  
Will never let these other girls haunt you  
You're the only one that can take me  
Girl you got me nuts I'm going crazy

I'm in love with ya

[Chorus]

I can't help myself girl cause I'm in love with ya  
And all you do is drive me crazy I'm in love with ya  
And even though they come around I'm in love with you  
No I don't give a fuck about 'em I'm in love with ya

Hey hey  
I'm in love with ya

[Verse 2]

It's been like this since I met you  
Every little thing is an issue  
You know how angry it makes me  
There's no one else that can replace me

No one ever made me feel like this  
Everything you got yo I like it  
There's no one that can take me from you  
All these other girls can't replace you

[Chorus]

(oh oh oh)  
I can't help myself girl cause I'm in love with ya  
And all you do is drive me crazy I'm in love with ya  
And even though they come around I'm in love with you  
No I don't give a fuck about 'em I'm in love with ya

I'm in love with ya, hey, hey, x5

[Verse 3]

All these different places  
So many types of situations  
It must be making the way that they Vince Chasing  
Maybe if I told them I was taken they would finally  
understand

Treat me like a rocket and give me some space  
These girls are outta this world they rock me like a  
spaceship  
Outnumbered by em thats my needle in a haystack  
So ride em like seminols forget em and let 'em go

Never let em catch my attention nah just sever 'em  
those

God your incredible flavor so edible  
High on my peddle stool  
None of them could compare to you

You know what I'm saying's true  
Nothing left I could say to you  
Stop being paranoid  
You know that I'm in love with you  
(love with you) x5

[Chorus] x2

I can't help myself girl cause I'm in love with ya  
And all you do is drive me crazy I'm in love with ya  
And even though they come around I'm in love with you  
No I don't give a fuck about 'em I'm in love with ya
