(Larry Shell - Jeff Tweel)

If he had been just anybody I'd be over him by now  
I still got this aching in my heart and these teardrops  
falling down  
There's scars that I just can't conceal  
He's the wound that time won't heal.

He's no ordinary memory  
He's the only one who ever  
Really got to me  
He's no ordinary memory.

Amazing was his love for me  
Oh, I stood so tall back then  
Now sometimes I make it to my knees  
Just to fall back down again.

Lord, I've seen  
Some mountains in my time  
But here's the one  
That I can't climb.

He's no ordinary memory  
He's the only one who ever  
Really got to me  
He's no ordinary memory.

No, he's no ordinary memory...
