Cleopatra sailing down the Nile with Mark  
Was huggin' and kissin' was as happy as a lark  
But suddenly she ran her fingers through his hair  
Stopped and said Well I declare  
Are you still using that greasy kid stuff?  
That icky sticky ooey gooey greasy kid stuff  
Stanley looked for Livingston the books all say  
Found him in the jungle on that famous day  
Shook his hand and shouted in a voice that boomed  
Dr. Livingston I presume...  
That you're still using that greasy kid stuff  
That icky sticky ooey gooey greasy kid stuff  
Delilah was a gal who was as smart as a fox  
She crew-cut Sampson's curly locks  
She wiped off the scissors when the job was done  
Then whispered softly Tell me hon  
Are you still using that greasy kid stuff?  
That icky sticky ooey gooey greasy kid stuff  
I dreamt that I was at a summit meeting last night  
Nikita and the president were setting things right  
Everything was fine until Nikita says  
If it's not top secret, tell me prez  
Are you still using that greasy kid stuff?  
That icky sticky ooey gooey greasy kid stuff...
