Don't say goodbye-ye love  
I've waited such a long lo-ong time  
If you could see the evil days  
I've fallen upon  
Have mercy love  
Don't say goodbye-ye love  
I've fallen away from the sun  
I'm calling and there's no one  
Below or above  
Don't leave me love  
Have mercy love  
I only ask a kindness  
I've fallen into darkness  
And I cannot find the sun...  
Have mercy love  
Remember for a moment  
Remember me in roses  
Remember me to God  
I've lost the hea-eavens  
I don't remember how or when  
But I do not think to gaze again  
Help me stand alo-one love  
My God it's lonely here  
I cannot feel, my heart is gone  
I'm all alone, I touch no one  
Help me love, I'm fa-ading  
Have mercy love  
I only ask a kindness  
I've fallen into darkness  
And I cannot find the sun...
