The days are okay
I watch the TV in the afternoon
If I get lonely
The sound of other voices
Other rooms are near to me
I'm not afraid

The operator
She tells the time
It's good for a laugh
There's always radio
And for a dime I can talk to God
Dial-a-prayer
Are you there?
Do you care?
Are you there?

And in the winter extra blankets for the cold
Fix the heater, getting old
I am wiser now, I know, but still as big a fool
Concerning you

I met your friend
She's very nice what can I say?
It was an accident
I never dreamed we'd meet again this way
You're looking well
I'm not afraid

You have a lovely home
Just like a picture
No, I live alone
I found it easier
You must remember how I never liked
The party life
Up all night
Lovely wife
You have a lovely wife

And in the winter extra blankets for the cold
Fix the heater, getting old
You are with her now, I know

I'll live alone forever
Not together now
