I wish you roses in the spring  
Fledglings on the wing  
Fireflies that sing your name

I wish you flowers in the grass  
Memories that last  
Shelter from the passing rain

I wish you joy  
I wish you joy  
I wish you joy

I hope the wind is at your back  
Keeping you on track  
That you never lack for love

I hope you walk beside your heart  
Even in the dark  
Guided by the stars above

I wish you love  
I wish you love  
I wish you love

So wherever you may roam  
Out there on your own  
Home is just a heart away

I wish you joy  
I wish you joy  
I wish you joy
