All is loneliness  
Loneliness here for me  
Loneliness here for me.

All is loneliness  
Loneliness here for me  
Loneliness here for me.

All is loneliness  
Loneliness here for me  
Loneliness here for me.

All is loneliness  
Loneliness here for me  
Loneliness here for me.

All is loneliness  
Loneliness here for me  
Loneliness here for me  
Loneliness here for me  
Loneliness here for me.

Loneliness come on bother me  
Want me 'round my door.  
I get loneliness  
I get loneliness  
I get loneliness  
I get loneliness  
Loneliness, heck I said loneliness  
Lord, loneliness, yeah, I said loneliness.

I said loneliness come on by my bed  
Gonna worry me 'round on my door-mat.  
I said loneliness come and found me,  
I said you found me whole.  
Yeah and now loneliness  
Lordy Lordy loneliness  
Lordy Lordy loneliness  
Lordy Lordy loneliness  
Yeah, loneliness

Oh loneliness

Oh loneliness  
Oh loneliness

Oh loneliness  
Oh loneliness  
Oh loneliness  
Oh loneliness

Ah loneliness  
Ah loneliness  
Loneliness  
Loneliness  
Loneliness  
Loneliness.

Every day when I walk home  
I see loneliness  
When I waited for my baby.  
You know I open my front door,  
I said Mr. Loneliness is waiting for me at home  
Lordy, Lord at home, Lord at home, Lo-o-o-rd at home.

You know, I get home every day, Lord,  
There ain't nobody waiting there, man  
And I ain't got no girlfriends, and I ain't got no  
boyfriends, man.  
I ain't got no any kind of friends, man, I ain't got no...  
My TV set doesn't work, my radio doesn't work, man.  
I come home there's nothing  
Nothing, man, there's no animals moving,  
There's nothing, man  
Walk in that door seems like I'm sitting there every day,  
man.

Lord, loneliness  
Lord, loneliness  
Ah, ah, loneliness  
Loneliness  
Loneliness  
Loneliness  
Loneliness  
Lord.

All right!
