Women is losers  
Women is losers  
Women is losers  
Women is losers.  
Well, I know you must have heard it all,  
Lord, ev'rywhere  
Men always seem to end up on top.

I said, if they told you that they want you  
Say they come around and wind up your door.  
Whoa I say now, if they don't desert you,  
They'll leave you and never be here for more!

Women is losers  
Women is losers  
Women is losers, Lord, Lord, Lord, Lord!!!!  
I said I know you must have heard it all,  
Lord, everywhere  
Men always seem to end up on top.

I say they wear a nice shiny armor  
Until there is a dragon for to slay.  
Now baby,  
Course with men beggin' to pay 'em  
I'll say they're bound to run away, oh!

Women is losers  
Women is losers  
Women is losers, Lord, Lord, Lord, Lord!!!!!!  
I said, I know you must have heard it all  
Lord, ev'rywhere  
Men almost seem to end up on top, oh!

Women is losers  
Women is losers  
Women is losers, Lord, Lord, Lord, Lord,  
Well, I know you must have heard it all,  
Men always seem to end up on top.

Oh yeah, they'll use you and confuse you  
They'll leave you when no one has thought to play.

They might say to watch out after your conduct  
Why the hell there ain't another way, oh!

Women is losers  
Women is losers  
Women is losers, Lord, Lord, Lord, Lord!!!!!!  
So now I know you must have heard it all,  
Ev'rywhere  
Men always seem to end up on top.
