Tell me why, just because I get to want your love
Honey just because I gotta get need, need, need your love,
I said I don't understand honey when I wanna turn you
high high high, Try..... Try..Try...Honey when everybody
in the world what's the same damm thing, when
everyone in the world will need the same loonley thing,
when I wanna work for your love dad when I wann try
for your love dad, I don't understand, how come you're
gone, man. I don't understand why half the world is still
crying, man, when the other half the world is still crying
too,
man. I just can't get it together.
I mean, if you gotta' care for one day, man.
I don't mean, if you, say maybe you wanna' care for
365 days, right? You ain't
got 365 days. You got it for one day, man. Well I tell
you that one day man, better be your life man, because
you know you could say oh man you could cry about the
other 364 man, but you're gonna loose that one day
man, and That's all you got. You gotta' call
that love, man. That's what it is, man. If you got it today
you don't wear it
tomorrow, man. 'Cause you don't need it. 'Cause as a
matter of fact, as we
discovered on the train, tomorrow never happens,
man. It's all the same fucking

day, ma., So you gotta, when you wann hold
somebody, you gotta hold 'em like it's the las minute of
your life baby, you gotta hold hold hold.....hold him
'cause some day some weight it's gonna come on your
shoulders babe, it's gonna feel to hevy, it's gonna
weigh on you, it's gonna feel just like a
ball.....oh daddy and a chain.....
