Oh Gutra, baby this is the end

Oh Gutra, baby this is the end

Well I'm through with that girl, 'cause she flipped out
on zen.

Goin' back to where I want to be,

I'm goin' back to where I want to be,

Well I'm back to my home, back in Memphis,
Tennessee.

Go on back back back back baby back to where I want
to

Go on back back back back back baby back to
where I want to be

Back into my home, back in Memphis, Tennessee.

Back back back back baby, back where I can go

I'm goin' back back back back baby, back where I
wanna go

Back into my home, back in Owens, Oklahoma.
