Sound ...

Light is faster than sound
My head to the ground
Mind going round
Faster than sound.

What goes up must come down
World goes around
Sun shines at ground
Faster than sound.

Yeah yeah, faster than sound, yeah
Faster than sound, whoa yeah
Faster than sound, ah ah
'Cause life is faster than sound.
Faster than sound.

It's your face yes it is,
It's your face yes it is,
I see your face, yeah
I see your face, yeah
I see your face, yeah Faster than sound, yeah
I see your face, yeah Faster than sound, alright c'mon
c'mon
Oh yeah Faster than sound, yeah
Oh oh Faster than sound, ah ha
I see your face Faster than sound, yeah
I see your face Faster than sound, yeah
Oh yeah Faster than sound
Oh yeah Faster than sound
Oh yeah Faster than sound, hey
Faster than sound.

Light is faster than sound
My head to the ground
Mind going round
Faster than sound.

What goes up must come down
World goes around

Sun shines around
Faster than sound.

Whoa!
Faster than sound, yeah
Faster than sound
Alright, alright, alright
Faster than sound
Yeah,
Faster than sound
Faster than sound

Faster than sound, yeah yeah!
Faster than sound, yeah yeah!
Faster than sound!

It's so fast, yes it is
It's so fast, yes it is
Hey, hey
It's so fast, Faster than sound
It's so fast, Faster than sound, alright alright
It's so fast, Faster than sound, whoa!
It's so fast, Faster than sound, hey!
It's so fast, Faster than sound, yeah!
It's so fast, Faster than sound
It's
