Sit there, hmm, count your fingers  
What else, what else is there to do?  
Oh and I know how you feel  
I know you feel that you're through  
Oh wah wah ah, sit there, hmm, count  
Ah, count your little fingers  
My unhappy oh little girl, little girl blue, yeah

Oh sit there, oh count those raindrops  
Oh feel 'em falling down  
Oh honey all around you  
Honey don't you know it's time  
I feel it's time

Somebody told you 'cause you got to know  
That all you ever gonna have to count on  
Or gonna wanna lean on  
It's gonna feel just like those raindrops do  
When they're falling down  
Honey, all around you  
Oh I know you're unhappy

Oh sit there, ah oh go on, go on and count your fingers  
I don't know what else, what else  
Honey have you got to do  
And I know how you feel  
And I know you ain't got no reason to go on  
And I know you feel that you must be through  
Oh honey, go on and sit right back down

I want you to count, oh, count your fingers  
Ah my unhappy, my unlucky  
And my little, oh, girl blue  
I know you're unhappy  
Ooh oh honey I know  
Baby I know just how you feel
