I ain't got no reason to livin', I can't find no cause to die
Lord, I ain't got no reason for livin', you give me no
cause to die
Lord, I ain't got no reasons for stay here, give me no
cause to try
I got these blues, I gotta find me that middle road

Well, I ain't got mother to love me, ain't got no father to
care
Lord, I ain't got mother to love me, ain't got no father to
care
Lord, I ain't got no reasons to go on, give me no cause
to stay here

I got these blues, I gotta finally know why

Well, I ain't got no reason for walkin', I guess I'm gonna
fall or standstill
Lord, I ain't got no reason for walkin', guess I'm gonna
fall or standstill
Lord I ain't got no reason for goin', give me no cause to
stay here
I got these blues, Lord I gotta finally know why
