Just let ourselves get together right now.

Ball and Chain!!!

Yeah, I heard that, man. How are you, how, I mean, er, how are you out there ? Are you are you OK ? You know that you stand stoned and you got enough water and you got a place to sleep and everything. What does that mean ? Huh ? Because, you know, because we ought, all of us, you know, I don't mean to be preachy but we ought to remember that in that case it means promoters, too, that music's for grooving, man, and music's not for putting yourself through bad changes. You know, I mean you don't have to go take anybody's shit, man, just to like music, you know what I mean ? You don't. So er, so if you're getting more shit than you deserve, you know what to do about it, man. You know, it's just music. Music's... music's supposed to be different than that.

Hey, come on, come on, come on, come on!

Didn't I make you feel, oh honey, like you were the only man I ever wanted, that I ever needed ?

Oh ho, honey, didn't I give you nearly everything that I ever had to give ?

Oh, you know I did!

But each time I tell myself that I, I think I've had enough,

Well, I'm gonna show you, baby, that a woman can be tough.

I want you to come on, come on, come on, come on and take it,

Take another little piece of my heart now, baby!

Break another little bit of my heart now, darling, yeah, yeah, yeah.

Have a, have another little piece of my heart now, daddy daddy daddy,

You know you got it if it makes you feel good,

Yes indeed, whoaa.

You're out on the streets, you're looking good,  
Honey, deep down inside I know you know it ain't never  
been right,  
Never, never, never, never, never, never, never, never  
hear me cry at night, oh!-aca
