I'm goin' down to the river Jordan
I'm goin' down to the river Jordan
I'm goin' down to the river Jordan
I'm goin' down to the river Jordan
One of these days

I'm gonna sit at the welcome table
I'm gonna sit at the welcome table
I'm gonna sit at the welcome table
Gonna sit at the welcome table
One of these days

I'm gonna find that blessed salvation
I'm gonna find that blessed salvation
I'm gonna find that blessed salvation
Gonna find that blessed salvation
One of these days
I'm gonna walk and talk with Jesus
I'm gonna walk and talk with Jesus
I'm gonna walk and talk with Jesus
Gonna walk and talk with Jesus
One of these days

I'm gonna hold hands with my Master
I'm gonna hold hands with my Master
I'm gonna hold hands with my Master
I'm gonna hold hands with my Master
One of these days

Now I'm goin' down to the river Jordan
I'm goin' down to the river Jordan
I'm goin' down to the river Jordan
Goin' down to the river Jordan
One of these days
